Privacy Policy

Last updated: July 29, 2026

Henry Products Inc., dba Henrybuilt and Untapped, and Space Theory, Inc. dba Space Theory ("**Company**", "**we**", "**our**", or "**us**") respect your privacy and are committed to protecting it through our compliance with this policy. This policy describes how we collect, process, retain, and disclose personal data about you when providing services to you through our websites and services that link to this policy (our "**Services**") and our practices for using, maintaining, protecting, and disclosing that information.

This policy applies only to information we collect:

- Through the Services.
- In communications, including email, text, chat, and other electronic messages, between you and the Services.

It does not apply to information collected by:

- Us through any other means, including on any other website operated by Company or any third party that does not link to this policy; or
- Any third party, including through any application or content (including advertising) that may link to or be accessible from or through the Services.

We may provide additional or different privacy policies that are specific to certain features, services, or activities.

Please read this policy carefully to understand our policies and practices regarding your information and how we treat it. By interacting with our Services or providing us with your information, you agree to the collection, use, and sharing of your information as described in this privacy policy. This policy may change from time to time (see Changes to Our Privacy Policy). Your continued use of the Services after we make changes as described here is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Children's and Minors' Data

Our Services are not intended for, and we do not knowingly collect any personal data from, children under the age of 18. If we learn we have collected or received personal data from a child under 18 years old without verification of parental consent, we will delete that information.

The Personal Data That We Collect or Process

"**Personal data**" is information that identifies, relates to, or describes, directly or indirectly, you as an individual, such as your name, email address, telephone number, home address, or payment information (for example, account information such as name, postal address, email address, and any other identifier we may use to contact you online or offline).

The types and categories of personal data we collect or process include:

- Account and contact information, including name, address, email address, phone number, and other contact information you provide to us.

- Account information, including your password you select, and information about your subscription, account, transactions, purchases, order history, or discounts.
- Location information. Our analytics only derive general, city, state, and country-level location from the visitor's IP address. The IP address is used transiently and is not stored; we do not collect precise geolocation through analytics.
- Device information, including your browser type, operating system, device type, screen size, preferred language, and time zone. We do not collect device or hardware identifiers or use fingerprinting.

If you are a California resident, you can access our supplemental California privacy statement at https://henrybuilt-cdn.s3.us-west-2.amazonaws.com/files/privacy-policy/july-2026/Henry+Products+-+Privacy+Policy+CCPA.pdf

Some of the information identified above may be considered sensitive data under certain laws. We do not collect precise geolocation or biometric information through our Services. We will collect and process any sensitive personal data only as required and permitted under applicable law and, where required, with your consent. If you choose not to provide or allow us to collect some information, we may not be able to provide you with requested features, services, or information.

We also collect:

- **Statistics or aggregated information.** Statistical or aggregated data does not directly identify a specific person, but we may derive non-personal statistical or aggregated data from personal data. For example, we may aggregate personal data to calculate the percentage of users accessing a feature of the Services.
- **Technical information.** Technical information includes information about your internet connection and usage details about your interactions with the Services, such as clickstream information to, through, and from our Services (including date and time), products that you view or search for, page response times, download errors, length of your visits to certain pages, page interaction information (such as scrolling, clicks, and mouse-overs), or methods used to browse away from a page.

If we combine or connect non-personal statistical or technical data with personal data so that it directly or indirectly identifies an individual, we treat the combined information as personal information.

How We Collect Your Personal and Other Data

You Provide Information to Us

We collect information about you when you interact with our Services, such as when you visit our public website, subscribe, place an order, or contact us.

How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal data, to:

- Provide you with the Services and any content, features, information, products, or services that we make available through the Services.

- Fulfill and manage subscriptions, orders, inquiries, and payments.
- Fulfill any other purpose for which you provide it.
- Improve our Services, including by analyzing your information and creating aggregated data derived from your information, to develop, maintain, analyze, improve, optimize, measure, and report on our Services and their features and how users interact with them.
- Carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- Notify you when updates to the Services are available and about changes to any products or services we offer or provide through them.
- In any other way we may describe when you provide the information.
- For any other purpose with your consent.

The usage information we collect, whether connected to your personal data or not, helps us improve our Services and deliver a better and more personalized experience, including by enabling us to estimate our audience sizes and usage patterns.

We may also use your information to contact you about goods and services that may be of interest to you. If you do not want us to use your information in this way, please click the unsubscribe link located at the bottom of our automated marketing emails. For more information, see Your Rights and Choices About Your Information.

Who We Disclose Your Information To

We may disclose aggregated information about our users, and information that does not identify any individual, without restriction.

We may also disclose personal data that we collect or you provide as described in this privacy policy:

- To contractors, service providers, and other third parties we use to support our organization and who are bound by contractual obligations to keep personal data confidential and use it only for the purposes for which we disclose it to them.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal data held by us is among the assets transferred.
- To fulfill the purpose for which you provide it.
- For any other purpose disclosed by us when you provide the information.
- With your consent.

We may also disclose your personal data:

- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.

- To enforce or apply our terms of use and other agreements, including for billing and collection purposes.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of our organization, our customers, or others. This includes exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

The categories of personal data we may disclose include account and contact information.

Your State Privacy Rights

Depending on your state of residency, you may have certain rights related to your personal data, including:

- **Access and Data Portability.** You may confirm whether we process your personal data and access a copy of the personal data we process. To the extent feasible and required by state law, depending on your state, data will be provided in a portable format. Depending on your state, you may have the right to receive additional information and it will be included in the response to your access request.
- **Correction.** You may request that we correct inaccuracies in your personal data that we maintain, taking into account the information's nature and processing purpose.
- **Deletion.** You may request that we delete personal data about you that we maintain, subject to certain exceptions under applicable law.
- **Opt Out of the Use of Personal Data for Targeted Advertising, Profiling, and Sales.** You may request that we do not use your personal data for these purposes.

Important: The exact scope of these rights varies by state. There are also several exceptions where we may not have an obligation to fulfill your request.

To exercise any of these rights, please contact us at support@henrybuilt.com.

Some browsers and browser extensions support the Global Privacy Control ("**GPC**") that can send a signal communicating your request to opt out from certain types of data processing, including data "sales" as defined under certain laws. When we detect such a signal, we will make reasonable efforts to respect your choices indicated by a GPC setting as required by applicable law.

If you are a California resident, additional information applies to you. How We Protect Your Personal Data

We use commercially reasonable administrative, physical, and technical measures designed to protect your personal data from accidental loss or destruction and from unauthorized access, use, alteration, and disclosure. However, no website, mobile application, system, electronic storage, or online service is completely secure, and we cannot guarantee the security of your personal data transmitted to, through, using, or in connection with the Services. In particular, email, texts, and chats sent to or from the Services may not be secure, and you should carefully decide what

information you send to us via such communication channels. Any transmission of personal data is at your own risk.

The safety and security of your information also depends on you. You are responsible for taking steps to protect your personal data against unauthorized use, disclosure, and access.

How We Retain Your Personal Data

We keep the categories of personal data described in this policy for as long as reasonably necessary to fulfill the purposes described or as otherwise legally permitted or required, such as maintaining the Services, operating our organization, complying with our legal obligations, resolving disputes, and for safety, security, and fraud prevention. This means that we consider our legal and business obligations, potential risks of harm, and the nature of the information when deciding how long to retain personal data. At the end of the retention period, personal data will be deleted, destroyed, or deidentified.

If you are a California resident, visit https://henrybuilt-cdn.s3.us-west-2.amazonaws.com/files/privacy-policy/july-2026/Henry+Products+-+Privacy+Policy+CCPA.pdf for more information about the retention periods that apply to the personal data categories we collect.

Changes to Our Privacy Policy

We may update this policy from time to time, and we will provide notice of any such changes to the policy as required by law. The date the privacy policy was last updated is identified at the top of the page. We will notify you of changes to this policy by updating the "last updated" date and posting the updated policy on the Services. We may email or otherwise communicate reminders about this policy, but you should check our Services periodically to see the current policy and any changes we have made to it.
